Sensal Blanc 2025
Javi Revert Viticultor - 75 cl.

Sensal Blanc is a white vino de paraje from Javi Revert, from Els Juncarejos near La Font de la Figuera in Valencia. The wine is made from local grape varieties Merseguera, Malvasía and Tortosí, grown in mountain vineyards on highly calcareous soils. Sensal Blanc is intended as a broad expression of this area and its historic grape varieties. Production is around 4,700 bottles.

Vinification
The grapes come from organically farmed vineyards. After fermentation, the wine ages in a combination of oak barrels and traditional clay tinajas. The vinification remains focused on freshness and the expression of the calcareous soils.

Storage potential
Drink as from: 2026
Best moment: 2026-2039
Until: 2032

To serve
Serve at around 10 to 12°C. A good match with shellfish, seafood, grilled fish, rice dishes and Mediterranean cuisine.

Trial analysis
A fresh white wine with aromas of white fruit and stone fruit, complemented by floral notes, Mediterranean herbs and a light touch of fresh almond. The palate is fairly broad but kept taut by fresh, saline acidity. The finish is long and dry, with clear mineral tension and a slightly chalky note.

Wine style:
Mediterranean, powerful and mineral

Assembly
Malvasia, Merseguera, Tortosí

Region:
Levante

Appellation:
D.O. Valencia

Wine estate:
Javi Revert Viticultor

Biological

Description domain

Javi Revert is a young oenologist who works with Pablo Calatayud at Celler del Roure, in Valencia. In 2014, the founded his own estate, inspired by the vineyards planted with local varieties by his grandfather and great-grandfather. All his parcels are located around his native village of La Font de la Figuera (Terres dels Alforins, in the province of Valence); they are high-altitude old vines (700-800 m above sea level) planted in field blend, between olive groves, almond trees and woods. A project which brings him back to his family roots.
