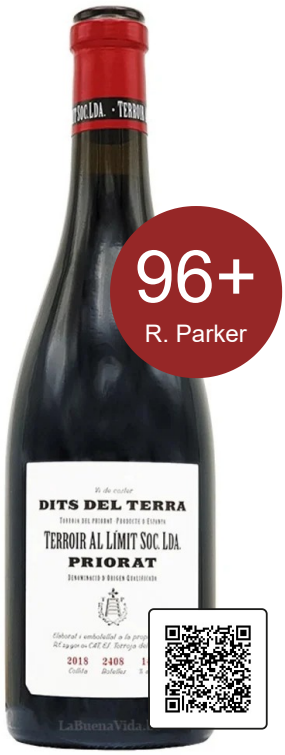
Dits del Terra 2024
Terroir al Límit - 75 cl.



Dits del Terra comes from 100 year-old carignan vines oriented to the South, very different from those at Arbossar, on the Northern side. Biodynamic and non-interventionist. The bunches are not de-stemmed and so they are vinified whole. Then they are left to macerate slowly, without adding any enzymes or yeasts. No pumping over and no treading during fermentation. This is the only way to obtain such a refined Priorat wine.

Vinification
Biodynamic. The non-destemmed grapes are vinified in whole bunches. Maceration is very long, fermentation takes place without the addition of yeasts or enzymes. No pumping over and no treading during fermentation. This is the only way to produce a Priorat of this elegance.
