Terrer d'Aubert 2020
Vinyes del Terrer - 75 cl.

Mediterranean red wine, firm, yet with supple tannins and a nice saltiness, unique due to its lumaquel.la terroir.

Vinification
7 ha of vineyard on a limestone terroir, with a low density of 1000 to 2000 plants per ha. The Cabernet was planted in the late 1980s, the Garnatxa around 2008. Manual harvest in small bins. Then vinification per parcel. Maceration and fermentation on inox. 12 months ageing in 5000-litre foudres, barriques and amphorae of 500 and 165 litres. Everything is grown organically.

Storage potential
Drink as from: 2026
Best moment: 2026-2028
Until: 2032

To serve
It is best to decant the wine. Serve in a Bordeaux glass.

Trial analysis
Dark red in colour. In the nose nice Mediterranean notes of red fruit, some blackberries and typical spiciness. In the distance a kind of saltiness that is very unique to this terroir (Lumaquel·la : limestone subsoil laced with shell fossils). Firm on the palate yet with the necessary juiciness and elegance. Long finish. Perfect with red meat on the BBQ or even game.

Description domain

This small estate owned by the Morell family is located very near the Mediterranean, close to the sea resort of Salou and the Aventura Park. The zone has particular soils of fossil-rich limestone, which translates into the wines.
