Acrollam Blanc 2021
Mesquida i Mora - 75 cl.

2011 is the year Acrollam (anagram of Mallorca) was born. The name illustrates the u-turn the estate has negotiated.

Vinification
Made from Premsal and Giró, this is a unique white wine that captures both of Mallorca's key white grape varieties in their purest expression. The Premsal undergoes pre-fermentation maceration and partial skin fermentation, while the Giró is directly pressed. After separate fermentation, the final blend is assembled. No sulphur is used during vinification, with only the absolute minimum added at bottling for stability. Four plots in Porreres, planted with the oldest vines, form the foundation of this exceptional white. These vineyards are located near the old mill just outside Porreres, where cooling winds provide natural temperature moderation.

Description domain

Bàrbara Mesquida comes from a winemaker's family, but she started her own micro-estate from scratch on her own. She works in biodynamics, mainly with local grapes, in white and red. Hers is one of Mallorca's most quality-oriented projects, even if it is on a small scale. Pour Bàrbara, nothing happens by chance, everything is connected in this life, so she called her entry-level wines Sincronia.
