Dulce de Invierno 2023
Javier Sanz Viticultor - 50 cl.

A semi-sweet Spanish wine that brings together tradition and innovation. Traditionally, a sweet wine was made in the region in the style of a vin de paille. Today, this technique is intelligently combined with more modern methods.

Vinification
A part of the Verdejo is laid out to dry on mats in the bodega. Another part of the Verdejo is kept at a temperature of -4°C for 10 days. During pressing, the water remains frozen, while the sugar is extracted. The Moscatel is harvested late, in December, as a vendimia tardía. A blend is made from these three wines. This blend is aged in French oak.
