Chibusque 2020
Puro Rofe - 75 cl.

Chibusque is the name of the place where the wine comes from in the village of Tisayala. It is a 100% Diego. The most expressive of all the Pure Rofe wines.

Vinification
Direct pressing in whole bunches, in sherry vats Thle, after 4 months, soutirage and transfer in a sherry-bota where the wine gets its malolactic fermentation. Then 6 more months of ageing.

Storage potential
Drink preferably from 2023 and before 2029. At its best between 2024 and 2026.

To serve
Decant before serving, so as to let the aromas express themselves. Serve at 14°C in a large glass.

Trial analysis
Golden colour. The most extreme of all the Rofe wines. Spicy on the nose - herbs, asian spices. Powerful on the palate - the wood notes of the bota, but also mineral notes. Long in the finish.

Description domain

Lanzarote seems to be a wine-lover's paradise: its old autochtone varietals grow on lava soils under Atlantic influences... But until recently, frustratingly, all we tasted there was only banal. That was also the impression of Rayco Fernandez, a distributor on the neighbouring island of Gran Canaria. So with the help of some friends of the same mind, he set out to make real terroir wines on Lanzarote. And the fact that we, after 25 years of tasting wines from all regions of Spain, have still been impressed by their production shows how good these extreme terroir wines can be.
