Pariente, A Vilerma 2024

José Pariente - 75 cl.

This is one of the historic domains of the Ribeiro region. Located in the Valle de Avia in the beautiful green interior of Galicia. Arsenio Paz was the founder and inspirer of the estate since 1977. In 2022, José Pariente decided to take over this small boutique winery as Arsenio had no successor. This is a small 6ha estate with a good 20,000 bottles of production. José Pariente's main aim is to continue Arsenio's legacy with respect for the region and terroir.

Vinification
The grapes are hand-harvested and then vinified in stainless steel tanks and used 500-litre barrels. Lees ageing is applied to add body to the wine. The terroir consists of poor, shallow soils of granitic sands, with clay and loam deposits, and a high presence of stones, gravel and rocks.

Storage potential
Drink as from : 202
At its peak: 2025-2027
Until : 2028

To serve
Serve at 12°C, in a large glass.

Trial analysis
Lovely bright colour. In the nose an Atlantic fresh attack with mainly notes of bay leaf and fennel, interspersed with some zesty fruit and citrus. On the palate, nice filling with brilliant acidity and notes of apple, melon and pome fruit. On the side always salty hints, so the wine goes very well with the typical dishes of the Ribeiro region : seafood and fish.

Description domain

This estate, already awarded numerous times, is now a source of inspiration for many winegrowers in Rueda. Martina Prieto Pariente remains driven by a constant desire to improve and aims to push Verdejo to its limits. Minimal use of sulphites, indigenous yeasts, precise viticulture, micro- and plot vinifications, and ageing in foudres, ovoid concrete vats and barrels all play a key role in this approach. With this philosophy, she aims to demonstrate that Verdejo has far more to offer than what is commonly found on the market today.
