Benje Tinto 2024
Envínate - 150 cl. (Magnum)

Benje is the name of a nearby crater which the Listan Prieto comes from, near Santiago del Teide (Tenerife). The vines are located some 1,000 metres above sea level.

Vinification
The grape bunches are fermented and macerated whole and only partially de-stemmed. After the alcoholic fermentation, 50% of the wine is aged in concrete tanks, and 50% in old 600 litre oak barrels.

Storage potential
Drink as from: 2026
Best moment: 2028-2030
Until: 2033

To serve
Best decanted at least in the first 3 years, and served in a large Burgundy style glass.

Trial analysis
Light colour. The reduction on the nose disappears with aeration and powerful, slightly smoky notes appear, with a touch of cherry. Fresh and refined on the palate, this wine is both volcanic and delicate.

Wine style:
Atlantic, volcanic and mineral

Assembly
Listán Prieto (90%), Listán blanco (9%), Tintilla (1%)

Region:
Canarias

Appellation:
D.O.P. Islas Canarias - Tenerife

Wine estate:
Envínate

Biological

Description domain

Behind the name Envinate are four friends from various wine regions of Spain who met while studying at the Faculty of Oenology in Alicante. Their preference for fresh and drinkable wines from old local varieties make them close, and so they decided to create a common project - the name meaning something like "let you be wined". This project grew in parallel with the activities of consultancy of the four members at different estates. Envinate has been a prominent factor for change in the regions where is it active - those the four members are from, to wit, Tenerife, Murcia, Ribeira Sacra and Albacete.
