Mas de la Rosa GVC 2023
Vall Llach - 75 cl.

Spains first "Grand Cru Classé". Mas de la Rosa is one of the most impressive vineyard of the region, with very sheer slopes (70%) on slate soils. Another impressive element is the fact that the vines are almost 100 years old, and only Carignan.

Vinification
Very low yield - 1,660 bottles in total. Part of the grapes are not de-stemmed. The maceration and fermentation take place in open top barrels with indigenous yeast only, for more than one month. Then the wine is aged for 10 months in new French oak barrels.

Storage potential
Drink as from: 2027
Best moment: 2032-2036
Until: 2042

To serve
In a large Bordeaux glass, at cellar temperature.

Trial analysis
A wine bomb! Who would have thought that a 100% Carignan could give such a result?! The nose is still a little closed at first but opens up, with hints of slate minerality and a lot of black fruit. On the palate, ripe and dense notes of cocoa, blackcurrant, black cherry and flintstone. Very long finish. This wine will please those who like them solid.

Wine style:
Mediterranean, elegant and mineral

Assembly
Cariñena (100%)

Region:
Catalunya

Appellation:
D.O.Q. Priorat

Wine estate:
Vall Llach

Biological

Description domain

Singer and wine producer.
