# Columella 2020
## The Sadie Family Wines - 75 cl.

In South Africa like in Spain, Terroir is a relatively new concept. The oenologist of the Spanish estates we work with played a pioneering role in understanding its value. The same for Eben Sadie and its family in South Africa. Columella is the flagship of this small company. Its production is very limited, but the quality is very high.

**Vinification**
Hand-picked in small baskets; natural yeast, fermentation in open 3,000 litre concrete tanks, for 3 weeks. 3 weeks maceration, without anything added. Malolactic fermentation in oak barrels (5% new oak). 12 months of ageing in French oak barrels, then one more year in big foudres, on the lees. Then, after 2 years, the wine is bottled, without any filtration or clarification.

Description domain

After having worked for several years in the Priorat and having founded Terroir al Limit there, Eben Sadie returned to his South African roots. As he said himself: "Winemakers have to make wine in the region where they were born. This is where they know best the terroir".
