Lomo de la Era Blanco 2024
Viñátigo - 75 cl.

Lomo de la Era 2024 is a single-vineyard white wine from Viñátigo, from Cruz Santa on the western side of the La Orotava Valley. It is made from Listán Blanco grown on old vines trained in the traditional Cordón Trenzado system. At 500 metres above sea level and under the influence of the Atlantic trade winds, the vineyard produces a fresh white wine with a distinct volcanic character.

Whole-cluster pressing and fermentation with native yeasts in concrete tanks, without temperature control. Aged for nine months on the fine lees (“static lees”). Total production: 2,320 bottles.
