Corimbo I 2011
Bodegas La Horra (Roda - Corimbo) - 150 cl. (Magnum)

2010 was the second vintage of this cuvée - and a very good vintage, again. The name of Corimbo is a token of rarity in itself, since it is a rare kind of thistle.

Vinification
Aged for 14 months in French (80%) and American oak barrels, 1/3 of which are new. Production: 20,000 bottles.

Storage potential
12 years.

To serve
18°C in a large glass, after decanting, at least in the first years.

Trial analysis
Deep red colour. Owing to its density, the wine should get some air. Then, it will reveal nice young aromas (blackberries, spices), but not a hint of wood. A juicy, impressively potent wine on the palate. Full-bodied like a Ribera, but with the Roda trademark.

Assembly
Tinto Fino (100%)

Region:
Castilla y León

Appellation:
D.O. Ribera del Duero

Wine estate:
Bodegas La Horra (Roda - Corimbo)

Description domain

A new top wine estate in Ribera del Duero. This small scale project was built around some old vines by Roda team, of Riojan fame. The quality requirements are as high as in Rioja.
