Vinyes Roses 2023
Jané Ventura - 75 cl.

A new line at Jané Ventura's estate. Until now, there were only two whites in the range, an entry-level wine and a top wine. After a long period of experimentation, a new trio of wines was introduced, the Selecció (in white, red and rosé). These three wines are made with the grapes of 15 different vineyards planted with old vines.

Vinification
Stainless steel; saignée method.

Storage potential
Drink as from : 2024
Best moment : 2024-2026
Until : 2027

To serve
Chilled (12°)

Trial analysis
A deep colour for a rosé. Vinous on the nose, with notes of red fruit and sweets. Not very far from a joven red - a lot of personality.
