Urbezo Chardonnay 2023
Solar de Urbezo - 75 cl.

The region is mainly planted with red grapes but there are some white varietals to be found also, like Viura (Macabeu) and Chardonnay. The Urbezo Chardonnay is full of floral notes, hence the label. The estate was named after Urbezo, a poet and a great friend of the owner's.

Vinification
Stainless steel tanks. Temperature controlled fermentation.

Storage potential
Drink as from : 2024
Best moment : 2024-2025
Until : 2026

To serve
12°C in a large glass.

Trial analysis
Pale yellow colour with greenish hues. No classic creamy and toasted Chardonnay notes, here, but a lot of floral and fruity notes (ripe pear, peach). The same aromas are to be found again on the palate, well sustained by a nice acidity.

Description domain

Solar de Urbezo illustrates perfectly the renewal of this part of Aragon. At the instigation of Santiago Gracia, this region has been revived and modernised. The estate has been organic for some years.
