# Licinia Blanco 2022
## Bodegas Licinia - 75 cl.

The village of Morata, where the estate is located, was called Licinia by the Romans, hence the name of the bodega and this wine. Organic viticulture.

**Vinification**
Hand-picked in small baskets. The vineyards are fully organically cultivated. After the selection table, the grapes are vinified on cuves inox, after which they receive their malolactic fermentation on oak barriques. After a 10-month élevage, the wines are blended and bottled.

**Storage potential**
Drink as from: 2024
Best moment: 2024-2026
Enjoy till: 2027

**To serve**
Serve at 14°C in a large glass. The wine opens up with air.

**Trial analysis**
Beautiful pale yellow colour with a sparkle. In the nose, complex notes of exotic fruit, mineral notes and a fairly present élevage in oak barrels. But all nicely intertwined. Nice structure on the palate with perfect balance between fruit and acidity. Long finish. Perfect as an alternative to oaky white Bourgognes.

Description domain

Located in the South of the Madrid DO, this boutique winery produces only one wine: the Licinia, which is the flagship of its denomination. The estate is state of the art in terms of vine research & development.

**Wine style:**
Continental, powerful gourmet wine
