Vi de Glass Gewürztraminer 2012
Gramona - 37,5 cl.

Sweet wine, Eiswein style. 150 grams of residual sugar.

Vinification
Jaume Gramona uses cryoextraction in order to obtain an intensity comparable to the Austrian or German Eiswein in a completely different climatic context. The grape most is congealed with carbonic ice, then pressed.

Storage potential
7 years.

To serve
Serve chilled (10°C) in a large glass.

Trial analysis
Very intense aromas, a lot of sweetness but also very fresh, this is the mark of a good balance between sugar and acidity. Some spicy aromas and a touch of exotic fruit, this is a complex wine in which the gewürztraminer varietal character is not too obvious.

Assembly
Gewürztraminer (100%)
