Apasionado de José Pariente Dulce 2020

José Pariente - 50 cl.

For years, Marivi has tried to make a noble wine with natural residual sugar. 2010 was the first vintage with which she succeeded.

Vinification
Late harvest, very low temperature fermentation and 5 months on its lees (in tanks), so as to get more structure.

Storage potential
Drink as from : 2022
Best moment : 2022 - 2025
Until : 2028

To serve
12°C in a large glass.

Trial analysis
Nice yellow color with green reflections - an indication of its youth. Expressive and fresh aromas of lemon and pineapple. On the palate, also, there is a lot of vividness, all the fresh aromas swim on the the sweet matrix. The typical Sauvignon notes are there, but not overwhelming. Anything but a boring wine!

Description domain

This estate, already awarded numerous times, is now a source of inspiration for many winegrowers in Rueda. Martina Prieto Pariente remains driven by a constant desire to improve and aims to push Verdejo to its limits. Minimal use of sulphites, indigenous yeasts, precise viticulture, micro- and plot vinifications, and ageing in foudres, ovoid concrete vats and barrels all play a key role in this approach. With this philosophy, she aims to demonstrate that Verdejo has far more to offer than what is commonly found on the market today.
