Monstruosa de Monterrei 2015
Quinta da Muradella - 75 cl.

José Luis Mateo's personal creation: he has revived a long forgotten white grape, the Monstruosa de Monterrei, which he had found in his vines. He then replanted some 750 plants of it in a small vineyard. The high acidity and structure if this "monster" gives it a very good ageing potential. For the wine freaks!

Vinification
The grapes are picked and vinified in whole bunches, and not de-stemmed. They ferment with indigenous yeasts only. No malolactic fermentation takes place. The wine is aged on its lees in stainless steel tanks.

Storage potential
Till 2027.

To serve
Chilled in a large glass after decanting, preferably.

Description domain

A modest man, José Luis Mateo is yet considered by many as the only real good winemaker in the Monterrei appellation, and even the best of all Galicia. He doesn't care about the accolades and scores he gets in the international wine press, working according to what he sees in his vines.
