Bellmunt Negre 2021
Mas d'en Gil - 75 cl.

The La Petxina vineyard, located in the El Sas zone, forms the basis of this juicy and vibrant red made from grenache and carinyena. Until recently, a small amount of cabernet was included, but today the blend consists exclusively of 70% garnatxa and 30% carinyena. The soil is composed of spotted phyllite, a light, slate-like formation. The grenache and carinyena vines were planted between 1994 and 1998. First vintage produced in 2008.

Vinification
The grapes undergo separate fermentation in underground, renovated concrete tanks. Maturation then takes place together for ten months in used large oak casks (foudres) and 3,000-litre concrete vats. This is followed by a minimum of twelve months of bottle ageing.

Storage potential
Drink as from : 2025
Best moment : 2025-2027
Until : 2029

To serve
In a large glass, so as to let the wine get enough air.

Trial analysis
Nice expression of Grenache (60% of the blend). Sour cherry, minerality, a spiciness typical of Priorat. Juicy, but also well-structured and with a long finish.

Wine style:
Mediterranean, fruity and mineral

Assembly
Garnatxa (70%), Cariñena (30%)

Region:
Catalunya

Appellation:
D.O.Q. Priorat

Wine estate:
Mas d'en Gil

Biological

Description domain

One of the largest - and best - estates in Priorat, Mas d'en Gil was saved from decay by the Rovira Family at the end of the 1990's. It is now back at the top with superb wines which both respect the local traditions in terms of viticulture and winemaking.
