Ultreia Godello 2024
Raúl Pérez - 75 cl.

The wine is a blend of different vineyards from the Cacabelos area, on clay and sandy soils.

Vinification
From the 2023 vintage onwards, the vinification has changed significantly. Long fermentation of 11 months without temperature control and, for the first time, a complete malolactic fermentation. 70% of the grapes are vinified in stainless steel and 30% in used barriques.

Storage potential
Drink as from: 2026
Best moment: 2027-2028
Until: 2029

Trial analysis
Golden yellow colour with ripe aromas of mainly yellow fruit and minerality. A round and full structure with beautiful fruit expression and fresh, vibrant acidity. A perfectly balanced wine. Long mineral and fresh finish. Burgundian in style.

Description domain

Raúl Pérez is Spain's most renowned oenologist, utterly devoted to the vineyard and to native grape varieties. As he himself puts it: "I'd rather make a bad wine with Galician identity than a good one without soul." In short: no cookie-cutter wines for Raúl!
