Alanda Blanco 2023
Quinta da Muradella - 75 cl.

Alanda is the entry-level white wine of José Luis Mateo and showcases the range of white grape varieties he has recovered in the region. He has done remarkable work bringing these nearly forgotten varieties back into focus. All his wines are made organically. It is a typical “village wine”, with a production of around 10,000 bottles.

Vinification
Fermentation takes place using only indigenous yeasts. Each variety is vinified separately, mainly in stainless steel, with a portion in 1500-litre foudres. The final blend is assembled depending on the vintage.

Storage potential
A boire à partir de : 2026
Optimum : 2026-2028

Trial analysis
Pale yellow colour. The wine open up with a little air. Then delicate notes of flowers, fruit and spices come up. The rather intense acidity is balanced by the fruit.

A modest man, José Luis Mateo is yet considered by many as the only real good winemaker in the Monterrei appellation, and even the best of all Galicia. He doesn't care about the accolades and scores he gets in the international wine press, working according to what he sees in his vines.
