El Cerro de Valdecañada 2021
Raúl Pérez - 75 cl.

El Cerro de Valdecañada comes from a tiny and steep 0.6-hectare parcel near Ponferrada in Bierzo. The vineyard has a northern exposure and the vines are more than 100 years old. Old Mencía vines planted on slate and schist soils produce a wine with remarkable freshness and minerality. Slightly ethereal and pure in style, with a ripe and refined tannic structure. Production is limited to around 600 bottles.

Vinification
Spontaneous fermentation with indigenous yeasts. Depending on the vintage, the grapes are fully or partially destemmed. Long maceration and ageing in used 225-litre French oak barrels. Minimal intervention winemaking. Alcohol: 12%.

Storage potential
Drink as from: 2026
Best moment: 2028-2035

Trial analysis
Light and transparent in colour, with aromas of red berries, violets and delicate spice. Fresh acidity, delicate tannins and pronounced minerality create an elegant and refined style. Long, fresh finish. For those looking for something truly distinctive.

Description domain

Raúl Pérez is Spain's most renowned oenologist, utterly devoted to the vineyard and to native grape varieties. As he himself puts it: "I'd rather make a bad wine with Galician identity than a good one without soul." In short: no cookie-cutter wines for Raúl!
