# El Celler de Can Roca Reserva Brut 2021
## Albet i Noya - 75 cl.

Special version of the fantastic "Efecte". Beware! This is not a "cava". Josep-Maria Albet i Noya, during his presidency of the D.O. Penedès, created a separate appellation of origin for the sparkling wines, outside the D.O. CAVA which he felt was too much under the influence of the big mastodons; Only grapes from organic vineyards are allowed. Indeed, Josep-Maria is the pioneer of organic wines across Spain. It is therefore for more than 25 years that his bubbles were chosen by the Roca brothers of the restaurant of the same name as their house aperitif. Especially for us, we were also allowed to import this house aperitif with the label of this top restaurant (2x best restaurant in the world) in Belgium. The Roca brothers make their own coupage every year on the estate, which is then bottled with their label. Top price/quality!
