Lomas de Valtuille, La Vitoriana 2022
La Vizcaína (Raúl Pérez) - 75 cl.

La Vizcaína is a project by Raul Pérez where all wines are made from separate vines, with different orientations and soils. La Vizcaína derives from the name given to Raul's father (El Vizcaino, the Basque), also a oenologist, and who died young. For this project, Raul is assisted by his niece, Nerea Pérez. La Vitoriana was planted in the 1890s on red clay and alluvial stones, and benefits from various exposures thanks to the curved shape of the vineyards. The blend is predominantly Mencía, with Bastardo (Trousseau), Doña Blanca and Palomino. The vineyard's name comes from the former owners, Víctor and Anna – hence: Vitoriana.

Vinification
Whole-cluster fermentation takes place in oak vats, with a long fermentative maceration. Aged for one year in used 225L and 500L barrels. Unfined and unfiltered. Minimal intervention, thanks to the use of gravity, so as the preserve the expression of the grapes. 10 months of ageing in 4 and 5 year-old, 500 litre French oak barrels.

Storage potential

Trial analysis
The Vitoriana has the darkest colour of all the Lomas de Valtuille wines. Still quite closed on the nose, it should gain from some aeration. Big bodied, juicy on the palate. The tannines only show at the finish. A nice touch of marjoram in the retro.
