Sketch 2023
Raúl Pérez - 75 cl.

Being one of Spain's most famous winemakers, Raul's wine are now cult wines. Sketch is vinified by Raul Pérez in the Forjas del Salnes bodega with his friend Rodrigo Mendez. This low yield Albariño was partly aged under the sea and is already a cult wine. 600 bottles.

Vinification
Fermented and aged for 12 months in 750-litre oak barrels. Some of the bottles are immersed in metal cages 19 meters under the sea-level in a cave of the Arousa estuary and stay in the particular conditions for 3 months, which protects them from any change in temperature, humidity or pressure.

Storage potential
Drink as from: 2025
Best moment: 2027-2029
Until: 2033

To serve
12°C in a large glass. This wine will develop even more complexity with age.

Trial analysis
A complex, mineral, salty wine with citrus undertones. Large and well-structured on the palate, it also has the typical freshness of the Atlantic wines of Spain.

Description domain

Raúl Pérez is Spain’s most renowned oenologist, utterly devoted to the vineyard and to native grape varieties. As he himself puts it: “I’d rather make a bad wine with Galician identity than a good one without soul.” In short: no cookie-cutter wines for Raúl!
