¿Y tú de quién eres? 2020
Bodegas Gratias - 75 cl.

A village wine made with grapes of old vines (local varieties only). And also an ethical wine made thanks to a crowdfunding in favour of the local winegrowers. Full of character. One of its kind.

Vinification
A non-interventionist wine, like all wines at Bodegas Gratias. The Tardena grapes ferment between 3 and 4 weeks in whole bunches, without any remontage (pumping over) or pressing, then the wine is aged for 3 months in jars (dolia). The other grapes including Macabeu are pressed, without skin contact, and aged for 3 months in used oak barrels. Then all the components of the cuvée are blended. No added sulphur.

Storage potential

Trial analysis
Nice yellow colour with grey reflections. Complex on the nose - spicy, floral but also full of white fruit. A lot of character and some density too. Fresh but deep on the palate, and quite long. Surprising!

Description domain

Gratias is the creation of four friends, Ivan, Ana, José and Silvia who decided to make wines together, in the respect of the terroir and the people of their village. Their wines are the most natural possible, and without any added sulphur.
