Description domain

Artuke is a small estate founded in 1991 by Miguel Blanco, joined some years later by his sons Arturo and Kike. Hence the name of the estate, which covers 22 ha, divided into 32 parcels, including some exceptional crus. The family played a crucial part in the Rioja 'n Roll movement born in the region some years ago. This movement groups young oenologists who work within the same philosophy - producing terroir wines the most natural way, respecting the environment and their iconic grape, Tempranillo, but also other ancient varieties often found in field-blend vines.
