Description domain

José Manuel Pérez Ovejas, at Dominio de Calogía, wants to make authentic and personal wines. This is why he wants to know his vineyard with precision, and limit its yield, so as to harvest only top quality grapes. What is more, he wants to be true to himself, to his style, and refuses to be influenced by fashionable trends in wine. These are the conditions if you want to make a wine with a real character. “Making your dream come true with enthusiasm and determination is giving the best version of yourself” says José Manuel. This is the spirit of Dominio de Calogía.
