This is a wine for the lovers of big wines; it shows a lot of generosity, some vinosity, a strong terroir expression, with some meaty and mineral notes. And a lot of freshness underneath.

Until recently, Valencia was only known for its cheap bulk wines, but it is now blossoming into one of Spain most interesting wine regions. Thanks to the estate, which rehabilitated long-forgotten local grapes like the red Mando and the white Verdil, and also rediscovered the use of amphoras.
