Blanc del Terrer 2023
Vinyes del Terrer - 75 cl.

Mineral and Mediterranean are this wine's best descriptors. It is made with the grapes of a 3 ha parcel of Macabeu planted in the 1980's, round Santes Creus, at 300 meters above sea-level. Calcareous soils with fossil deposits (Lumaquel·la).

Vinification
Harvesting by hand. Fermented in 5,000 liter stainless steel tanks, then ripened on its lees.

Storage potential
Drink as from: 2025
Best moment: 2025-2026
Until: 2027

To serve
Best decant and serve chilled in a large glass.

Trial analysis
Pale colour with green reflections. Fresh and spicy on the nose - The Mediterranean touch. But soon the minerality comes up. Powerful and large on the palate, thanks to the lees. A hint of lemon and saltiness. A nice expression of a limestone terroir. Fresh and dynamic on the finish.
