Gran Autòcton blanc 2017
Autòcton Celler - 75 cl.

The fist vintage of Albert Jané's top white wine cuvée. His goal is to achieve a classic gastronomy white wine "à l'ancienne".

Vinification
A selection of old vines from the Montreal area. Part of the wine is aged in oak barrels, part in amphoras. 8 months in total.

Storage potential
4 to 6 months after bottling.

To serve
Serve cool in a large Burgundy-type glass.

Trial analysis
Nice bright yellow colour. Toasted notes and Mediterranean herbs on the nose. Full-bodied on the palate. The wood is very well integrated into the wine. A classic white, fit for the gastronomy.

Description domain

Autòcton Celler is Albert Jané's new "baby". We already know him well, for his Montsant wines of his "Acústic" range. After he put his Priorat estate on the right tracks, Albert came back to his family roots in Lower Penedès, where he makes wines from the local, typical grapes.
