Finca Calvestra 2022
Mustiguillo - 75 cl.

This is Mustiguillo's greatest white. But more than this, it illustrates the salvage of the Merseguera grape. The grapes come from old, organic, high altitude vines (900m) under continental climate influences. Limestone soils.

Vinification
Merseguera is a challenging grape variety. Optimal ripeness, low yields, and the cool microclimate are all crucial factors. The vineyard is farmed organically and is not irrigated. The grape bunches are hand-harvested in 15 kg crates, destemmed, and gently pressed using a pneumatic press. Vinification follows a traditional method in acacia barrels, using only native yeasts. The wine then undergoes sur lie ageing for 9 to 12 months in 250-litre acacia wood barrels.

Trial analysis
Nice fresh yellow colour. An explosion of white fruit aromas, with subtle hints of spices and exotic fruit. Good structure, fulness and above all, freshness. This wine still has a very good potential.
