Simeta 2017
Javi Revert Viticultor - 75 cl.

Description domain

Javi Revert is a young oenologist who works with Pablo Calatayud at Celler del Roure, in Valencia. In 2014, the founded his own estate, inspired by the vineyards planted with local varieties by his grandfather and great-grandfather. All his parcels are located around his native village of La Font de la Figuera (Terres dels Alforins, in the province of Valence); they are high-altitude old vines (700-800 m above sea level) planted in field blend, between olive groves, almond trees and woods. A project which brings him back to his family roots.
