Bellmunt Blanc 2023
Mas d'en Gil - 75 cl.

The Entrebosc plot, planted with white grenache in 2008, forms the base (60%) of this fresh Mediterranean-style wine. It is complemented by young macabeu (30%) from El Sas, planted in 2015, and viognier (10%) planted by father Rovira in 2000. The name Bellmunt refers to both the village and the municipal appellation Vi de Vila. The idea behind Bellmunt is to offer a fresh, approachable wine.

Vinification
The different vineyard plots form a beautiful mosaic of terroirs, ranging mainly from sandstone to a small amount of slate for the viognier. Vinification takes place in stainless steel tanks to preserve the wine's freshness.

Mas d'en Gil

Biodynamic

Description domain

One of the largest - and best - estates in Priorat, Mas d'en Gil was saved from decay by the Rovira Family at the end of the 1990's. It is now back at the top with superb wines which both respect the local traditions in terms of viticulture and winemaking.
