Bellmunt Blanc 2024
Mas d'en Gil - 75 cl.

Young Macabeu (60%) from the El Sas plot (planted in 2015), complemented by white Grenache (40%) from the Entrebosc vineyard (planted in 2008). The name Bellmunt refers both to the village and to the municipal appellation Vi de Vila. The idea behind Bellmunt is to offer a fresh, approachable wine with outstanding value for money, while fully reflecting the character and typicity of its terroir.

Vinification
The different vineyard plots form a beautiful mosaic of terroirs, ranging mainly from sandstone to a small amount of slate for the viognier. Vinification takes place in stainless steel tanks to preserve the wine's freshness.

Description domain

One of the largest - and best - estates in Priorat, Mas d'en Gil was saved from decay by the Rovira Family at the end of the 1990's. It is now back at the top with superb wines which both respect the local traditions in terms of viticulture and winemaking.
