Acrollam Blanc 2023
Mesquida i Mora - 75 cl.

2011 is the year Acrollam (anagram of Mallorca) was born. The name illustrates the u-turn the estate has negotiated.

Vinification
Made from Premsal and Giró. A unique white wine that brings together two key Mallorcan white varieties in their purest form. The Premsal undergoes a cold pre-fermentation maceration and partial skin fermentation, while the Giró is directly pressed. A portion of the harvest also undergoes a short carbonic maceration. After separate fermentations, the blend is assembled. Aged on the lees for eight months. No sulphur is used during vinification; only a minimal amount at bottling for stabilization. Four plots in Porreres, planted with the oldest vines, form the basis of this exceptional white wine. The vineyards are located around the old mill just outside Porreres, where cooling winds provide natural temperature regulation.

Biodynamic

Description domain

Bàrbara Mesquida comes from a winemaker's family, but she started her own micro-estate from scratch on her own. She works in biodynamics, mainly with local grapes, in white and red. Hers is one of Mallorca's most quality-oriented projects, even if it is on a small scale. Pour Bàrbara, nothing happens by chance, everything is connected in this life, so she called her entry-level wines Sincronia.
