Mas d'en Gil Oli
Mas d'en Gil - 50 cl.

Mas d'En Gil is an outstanding wine estate, whose old vines produce top cuvées; but it also hosts some 2,000 old Arbequina olive-trees. This does not mean a huge oil production, but the quality is superb. The olive grove lies in the Siurana appellation, which is roughly the same area as the DO Priorat for wine. This oil is extra virgin and unfiltered.

Vinification
Hand harvested, cold extracted (at 27°, so as to preserve the aromas) unfiltered.

Storage potential
See date on pack.

To serve
Any preparation, salad, tomato mozzarella, etc...

Trial analysis
The perfume of this oil makes one think of ripe sun-kissed tomatoes, artichoke leaves and freshly cut grass. Medium bodied, with an almond finish.

Description domain

One of the largest - and best - estates in Priorat, Mas d'en Gil was saved from decay by the Rovira Family at the end of the 1990's. It is now back at the top with superb wines which both respect the local traditions in terms of viticulture and winemaking.
