Ventoleiro 2024
Adega a Barouta - 75 cl.

The first red wine from this new Atlantic project by Comando G and Javier Alén. Ventoleiro does not come from a single vineyard, but from several small plots in the Val do Avia in Ribeiro. A total of 1,300 bottles were produced for this first vintage. Purely Atlantic in style, with only 11% alcohol. Very refined and mineral.

Vinification
Each grape variety is vinified separately in stainless steel tanks. A very strict selection took place first in the vineyard and again upon arrival of the harvest. Vinification is carried out entirely with whole clusters, and fermentation relies solely on indigenous yeasts from the vineyard. No pumps are ever used and no aggressive extraction is applied. A textbook example of Comando G's non-interventionist style. After fermentation, the wine ages for 7 months in a large 1,000-liter foudre.

Storage potential
Drink as from: 2026
Best moment: 2028-2031
Until: 2035

To serve
Serve in a large Burgundy glass at cellar temperature. May be decanted in its youth.

Trial analysis
Bright red in colour. An original blend of red varieties such as the typical Caíño Longo and Tintorera, complemented by the white Albariño. The colour is therefore not dark, but vivid red, crystalline and transparent. Brilliant acidity on the attack, distinctly Atlantic with low alcohol. Floral nose, spicy and vibrant, with stony, mineral notes. Pure on the entry and mid-palate, with a mineral finish and length.

Wine style:
Atlantic, elegant and mineral

Assembly
Brancellao (Albarello) (60%), Caiño Longo (40%)

Region:
Galicia

Appellation:
D.O. Ribeiro

Wine estate:
Adega a Barouta

Description domain

A Barouta is the new project by the boys from Comando G (Dani Landi + Fernando García) and Javier Alen in Galicia's historic Ribeiro appellation. They enlisted the help of Roberto Nuñez, their cellar master and vineyard manager, who is in day-to-day charge of this mini-project. Very Atlantic wines are made here with lots of minerality.
