Description domain

Lanzarote seems to be a wine-lover's paradise: its old autochtone varietals grow on lava soils under Atlantic influences... But until recently, frustratingly, all we tasted there was only banal. That was also the impression of Rayco Fernandez, a distributor on the neighbouring island of Gran Canaria. So with the help of some friends of the same mind, he set out to make real terroir wines on Lanzarote. And the fact that we, after 25 years of tasting wines from all regions of Spain, have still been impressed by their production shows how good these extreme terroir wines can be.
