Finca Genoveva Tinto 2022
Forjas del Salnés - 75 cl.

In addition to the white Finca Genoveva, Rodri has also been making a red since 2017. Mainly from old-vine Caíño. It shows a truly Atlantic character with impressive depth. A wine that can stand alongside the great reds of the Loire.

Vinification
The bunches are destemmed and then fermented in large open vats after a 15-day maceration. Only native yeasts are used. The wine is then aged in a large 1,500-liter wooden foudre.

Storage potential
Drink as from: 2025
Best moment: 2028-2032
Until: 2037

To serve
Decant to let it breathe. Serve in a large glass.

Trial analysis
The most Atlantic and structured wine in our range. Unlike Rodri's other reds, which are more ethereal in character, this one is a robust red with the personality of the finest Loire wines. Mineral on the nose, dark red iris in the glass. Very fine red fruit, hints of mint and spice. Firm, yet elegant and mineral. Still very young, with great potential and the perfect acidity for long aging.

Description domain

This is one of the smallest estates in Rias Baixas, but well known from the connoisseurs. Since 2005, the current generation, with Rodri at the helm, has been making super whites but also great reds with a typical Atlantic and Galician accent. Organic cultivation and vinification, minimal intervention. Definitely not wines for beginners.
