Abel Mendoza Selección Personal 2011
Abel Mendoza - 75 cl.

This cuvée only uses the best grapes from the oldest vines. Its precise origin can thus vary from one year to another according to the ripeness and quality of the grapes.

Vinification
12 months in new French oak barrels.

Storage potential
10 years.

To serve
Cellar temperature (not more than 18°C). A good piece of advice: decant it during its first 6 years.

Trial analysis
Deep red colour. This modern style Rioja is a fresh fruit bomb, dense and rich - a high level Tempranillo combining strength and elegance. A wine hat was conceived in the vineyard, a showcase for the Rioja Alavesa, with its high minerality.

Assembly
Tempranillo (100%)

Region:
La Rioja

Appellation:
D.O.C. Rioja

Wine estate:
Abel Mendoza

Description domain

This is one of the smallest estates in Rioja. Abel cares about the vines, and his spouse Maite about the winemaking. A happy combination - this estate is one of the region's hidden jewels. Their whites and reds are equally outstanding. The estate is located in San Vincente de la Sonsierra, in Rioja Alta, on the border with Rioja Alavesa.
