Amigos Blanco 2023
Torre de Barreda - 75 cl.

Airen is the world's most planted varietal, but hardly no one has eve heard about it. The whole of La Mancha is planted with it, but rare are the interesting wines made with it. The quality of this wine is all the more impressive!

Vinification
Harvested in small baskets, with the utmost care, so as to prevent oxidation. Fermented and macerated in stainless steel, then aged for a short time in wood barrels on their lees, with bâtonnage, so as to add some volume to the wine.

Storage potential
Drink as from : 2024
Best moment : 2024
Until : 2026

To serve
Serve chilled.

Trial analysis
Delicate floral and white fruit notes son the nose, wide and fresh on the palate, not opulent. The old wines can still deliver!l
