Trial analysis
Deep red colour. This modern style Rioja is a fresh fruit bomb, dense and rich - a high level Tempranillo combining strength and elegance. A wine hat was conceived in the vineyard, a showcase for the Rioja Alavesa, with its high minerality.

Description domain

This is one of the smallest estates in Rioja. Abel cares about the vines, and his spouse Maite about the winemaking. A happy combination - this estate is one of the region's hidden jewels. Their whites and reds are equally outstanding. The estate is located in San Vincente de la Sonsierra, in Rioja Alta, on the border with Rioja Alavesa.
