Quíbia 2022
Ànima Negra - 75 cl.

Quíbia is the imaginary village of Felanitx described in the writings of philosopher Llorenç Mostel. It is a unique blend of indigenous Mallorcan grape varieties. For years, Quíbia searched for its identity, and since 2022, we are tasting a completely new expression: a wine based on the native Premsal, complemented by Giró Ros.

Vinification
Both grape varieties spend one night in cold storage before vinification begins, following selection on the sorting table. After gentle pressing, each variety is vinified separately using native yeasts in temperature-controlled stainless steel tanks. The wine then ages for four months on the lees before blending.

Storage potential
Drink as from : 2023
Best moment : 2023-2025
Until : 2026

To serve
12°C

Trial analysis
Pale yellow in colour with discreet aromas. Once swirled, the wine opens up with delicate notes of almond, Mediterranean hints, anise, citrus zest, minerals, and sweet white fruit. The structure is fragile. An unusual white wine style that floats between its Mediterranean roots and fresh, fruity curves, finishing taut and subtly mineral. Quíbia needs a moment to breathe in the glass to fully reveal itself.

Wine style:
Mediterranean, fresh gourmet wine

Assembly
Premsal (60%), Callet (40%)

Region:
Illes Balears

Description domain

Ànima Negra has revolutionized Mallorcan wines. This domain gave back its luster to the Callet grape, making wines both refined and full of mediterranean character out of it. The 100% Callet Son Megre, the label of which was made by artists Miquel Barceló, is its flagship.
