Paramos de Nicasia Blanco 2019
Màquina & Tabla - 75 cl.

Sold as Vino de la Tierra de Castilla, this wine comes from vines located with the Toro DO. Il is made mainly with Verdejo and Malvasia, but as they are franc-de-pied (ungrafted) vines, they also include some Muscat, Albillo and Albariño plants.

Vinification
No added sulphur. Vinification in whole bunches. Natural yeasts. 8 months of ageing in old wooden vats according to the "crianza biologica", under a thin veil of "flor".

Storage potential
3 to 5 years.

To serve
Serve chilled in a large glass, so as to let the wine breathe. It is important to let the the first rather confusing notes escape so that the fruit takes over. Our advice is to decant the wine

Trial analysis
Do not let you get distracted by the first smell: it is not cork, but the flor aroma, like for any wine of crianza biologica. But after the wine has been given some air, nice notes of flowers and limestone, with a touch of saltiness take over. It is powerful on the palate, but also very lively.

Assembly
Malvasia (50%), Verdejo (45%), Albillo (2%), Moscatel (2%), Albariño (1%)

Region:
Castilla y León

Appellation:
D.O. Toro

Wine estate:
Màquina & Tabla

Biodynamic

Description domain

The general concept of the winery is the struggle between nature and human. Nature is wild and free and after beautiful cycles it always tends to death. The land, the grapes growing, the fermentation of the must and then the ageing are marked by human intervention at the right moment and in the most gentle way to get the best of it and finally have a wine with the expression of the land, the grapes and the human… Màquina means Machine – the human, and tabla means piece of wood – nature. Human interventions mark nature.
