Corpinnat Aliances 2022 2018
Gramona - 37,5 cl.

Aliances is the result of a blend of grapes from several selected estates that belong to the family and Aliances per la Terra. (Aliances per la Terra is a pro-biodynamic association in the Penedés region led by Gramona.)

Vinification
The grapes were harvested by hand, in 25-kilogram boxes. The grapes were immediately passed through the sorting table and then the whole bunches were pressed. Fifty percent of the extraction was obtained and the different fractions were meticulously separated. Fifteen percent of the cuvée, before being bottled for secondary fermentation, enjoys an ageing in 300-litre oak barrels. After bottling, the bottles are aged for a minimum of 24 months in the cellar. Just at the moment of disgorging, a minimum dosage of 3 grams per litre is carried out.

Storage potential
