Trial analysis
The deep color of a young wine. This visual density is soon confirmed on the nose and the palate - you only have to swirl it a little. This Grenache is full of Mediterranean, soft and mineral notes. Its structure is compact, but there are no woody notes to spoil the various pleasures of our senses. The ripe tannins open our blood vessels for some days...

Description domain

No doubt that Acústic is THE success story of the DO Montsant. Although his first vintage was only 2004, he is already considered as one of the denomination's top producers. His trademark is pure, fruity wines with a marked Mediterranean character. To make them, he only uses grapes from old vines of Grenache and Carignan. Rightly so!
