Monuments of Spanish Wine

La Buena Vida -

Behind each of these bodegas is a fascinating story, "written" by skilful and inspired wine-makers: Roda, Albet i Noya, Vega Sicilia, Costers del SIurana, Artadi, Teofilo Reyes, Pérez Pascuas, Can Ràfols dels Caus, Mauro ... Their estates are often located in breathtaking surroundings, while some young and adventurous producers have set up shop in historic buildings. All this has contributed to the book's gorgeous photography, which adds considerably to the enjoyment of an already fascinating text.
